

Terms and Conditions

Don't worry, this section isn't boring as the others. After reading it all, you'll only be sure that you've come to the right place !

1. We have the right to possess the source files and we may use them in future if needed.
2. If the deal doesn't involve any sort of payment, and falls in the category of share-for-share, the customer has to mention our business name and contact details.
3. If the deal doesn't involve any payment, the product will have a watermark or our name on it (Extremely small and unnoticeable)
4. The price that you pay, involves labor charge, license charge and resource charge
 - a) Labor Charge - The amount we charge you on your product per hour. We charge 136 Rs (INR)/\$2 (USD) per hour. But if the time exceeds 3 hrs. It will not be charged now. So in total, the labor charge will be 396 Rs / \$6.
 - b) What ever software we use to provide you with your graphical needs, we take a small amount from you which basically helps us pay the amount of license for that software. Ex : Suppose we've used Adobe Photoshop. So we'll be charging you 60 Rs / \$ 0.90 for the license. Here, considering the license of Photoshop is 3000 Rs per month in India. This price is 2 % of the actual license money.
 - c) We also have to pay for the resources we've put into use. This includes Electricity etc. and especially the pizza's we eat. It has a fixed price. That will be 100 Rs. / \$ 1.50.
5. We may alter the list in the future, when ever we want to.

Pricing

These are fixed and other charges as mentioned above will be added to them.
